MASTER YOUR NEXT INTERVIEW
“Secrets from the Other Side...What Recruiters Know that You Don’t”

DATE: Tuesday, October 2, 2012

Location: Doolittle A122

Time: 8:00 PM

What You Will Learn
- Advice recruiters would give you if they could
- How you can prepare for – and close the deal with – an interview
- How to answer both easy and difficult questions
- Attributes you should display in interviews
- And much more...

Meet Your Expert

Dr. Dennis Guthrie is Associate Director of Research & Development with over twenty years’ experience at The Dow Chemical Company. His career has spanned Research & Development, Human Resources, and Sales & Marketing. During this time he had responsibilities for University Relations, national PhD recruiting, and Technical Placement which is when he first developed the paper and presentation titled, “Secrets from the other side...What recruiters know that you don’t.
